

# **IBM Advanced Packaging in the Northeast Corridor**

Julian Warchall, Ph.D.

IBM Research

[Julian.Warchall@ibm.com](mailto:Julian.Warchall@ibm.com)

Dr. Warchall will discuss IBM's ongoing work and future plans in semiconductors and advanced packaging for electronics. He will touch on IBM Yorktown, Albany, and Bromont capabilities and roadmaps to spur conversations around future collaborations and partnerships in the field.
