

27th Annual Components for Military & Space Electronics Conference & Exhibition

April 30 - May 2, 2024

Four Points by Sheraton (LAX)
Los Angeles, California

Exhibitor Invitation

The premier event focused on the design, reliability, and application of electronic components for use in both terrestrial applications for avionics, aerospace, and military, as well as commercial, civilian, and military space systems.

We deliver a conference experience focused on high quality technical talks, keynotes and panel discussions that foster maximum attendee participation/interaction and furthers our collective understanding of the technical challenges faced in our industry. Showcase the supplier base to the greatest extent possible. Educate the industry, especially young component engineers.

The goal of this event is to educate, inform and provide solutions for current issues with military and space electronics.

- Alternate grade parts for use in harsh environments
- Non-hermetic COTS utilization and implementation
- Long term dormant storage (Hermetic vs. Non-Hermetic)
- EEE parts engineering issues for small satellites
- Supercapacitors and high CV for high-reliability applications
- PME/BME MLCCs for high-reliability applications
- Tantalum polymer progression towards space and wear out
- GaN and SiC for RF and power management applications
- State of The Art Heterogeneous Integrated Packaging (SHIP)
- Continuity of the electronics supply chain
- Alternate approval for Parts Material & Process (PM&P) for space and military applications
- Counterfeits, trust, and security issues in supply chain management
- Digital engineering/model-based design
- CHIPS for America act securing our DOD Industrial base

Delegates and Visitors

The event is targeted to a variety of high-level professionals working as:

- Component Engineers
- Manufacturing Engineers
- Engineering Managers
 - System Integrators
 - Design Engineers
- Supply Chain Personnel
- Procurement Personnel
 - Program Managers
 - Project Leaders
- Quality Assurance Engineers
- Quality Assurance Engineers
- Executive and C Level Managers
- Government and Military Agency Personnel

2024 Exhibitor Registration Information

April 30 – May 2, 2024

Four Points by Sheraton (LAX)
Los Angeles, California

Exhibition Hours:

May 1: 11:00 am - 7:30 pm

May 2: 10:00 am - 2:00 pm

TJ Green Associates LLC's staff will be available to take care of all arrangements, answer questions and to cater to special needs that you and your visitors may have. An exhibitor needs only to promote their products and meet new customers.

Included in your registration:

- Exhibition Booth (6' x 10') or Tabletop (3' x 6')
- One Conference Pass (NOTE: 2-day Exhibitor & conference pass does NOT include access to the Tutorials on April 30th)
- Standard electric connection 110V/500W max, two chairs, table and trash can are all included in the price
- Free Hotel Wi-Fi
- Links to your website on the CMSE homepage and listing in the CMSE program booklet
- Print out of pre-registered attendee details on site and Excel file of final attendees emailed after the event
- Access to digital copies of all technical presentations
- Catered Buffet Lunch in the exhibits area plus AM and PM coffee breaks May 1st and 2nd
- Welcome Reception with drinks & hors d'oeuvres, Wednesday, May 1st, 6 to 8 pm in the Exhibits area
- Student and Young Professional Networking event, Tuesday, April 30th, 7 to 8 pm
- Additional Exhibitor Personnel passes are available for \$250 each

	Early Registration*	Price
Exhibit Booth (includes 1 conference registration)	\$2,300	\$2,500
Tabletop Exhibit (includes 1 conference registration)	\$1,900	\$2,100
Additional exhibitor booth personnel badge (includes lunch on both days and reception)		\$250
Full page color ad in hard copy program book		\$995
Half page color ad in hard copy program book		\$495

*Early Registration ends 2/14/2024

Exhibitors are responsible for shipping and hotel handling costs of their exhibition items.

Four Points by Sheraton (LAX) Hotel Special Rate - \$155/Night + Taxes
