

# **Advanced Packaging for Government Needs**

Julian Warchall, Ph.D., and Saverio Fazzari

Booz Allen Hamilton

[Warchall\\_Julian@bah.com](mailto:Warchall_Julian@bah.com), [fazzari\\_saverio@bah.com](mailto:fazzari_saverio@bah.com)

This talk will cover the state of the art and state of the practice in advanced microelectronics packaging technology, give an overview of government needs in the space, and outline the infrastructure needed for adoption. Future areas of research that could benefit both industry and government will also be identified in heterogenous integration and advanced packaging.
