

Lessons Learned on Buying Commercial Off the Shelf Products for Up Screening

Ben Mendoza
Golden Altos Corporation
bmendoza@goldenaltos.com

Discover the lessons we've learned upscreening Commercial Off The Shelf (COTS) products for Hi-Reliability Military (MIL) applications. Our journey highlights the importance of the detailed analysis required to manage an upscreen project as well as our adaptability to handle unforeseen changes in a commercial product. Join us as we delve into how these experiences have influenced our approach to COTS upscreening.
